Thanks Rich. I'm on a plane getting ready to go to UT right now so I will look at this later today.

Carl, I spoke with Laurel who suggested I share my suggested edits to the WY RH TPs with you as well. I have attached Laurel's draft, as well as my edits (v5).

Can you both take a look at this, specifically page 2 and the final message re: requesting information and considering options? Let me know if it is too general, or needs amending, etc.

I'll use your edits to update the desk statement.
